

PURCHASE ORDER TERMS AND CONDITIONS

1. **ACCEPTANCE:** For all orders over \$10,000, if the Order is DX rated the attached Acceptance Copy must be signed and returned by Seller within five (5) days of receipt by Seller; otherwise, if not so rated, within ten (10) days after receipt. The receipt by Buyer of the signed Acceptance Copy or the initiation of performance under this Order shall constitute acceptance of the Order by Seller, including all of the terms and conditions therein. This order expressly limits acceptance to the terms stated herein. Any additional or different terms proposed by Seller, including any contained in Seller's acknowledgement form, are rejected unless expressly agreed to in writing by an authorized representative of Buyer's procurement Department.
2. **APPLICABLE LAW AND DISPUTES:** Any dispute over any question of fact or law arising under this Order shall be governed by the law of the State of California. Any litigation under this Order, if commenced by Seller, must be brought exclusively in a Court of competent jurisdiction in the State of California. Pending the resolution of any dispute, Seller shall proceed as directed by Buyer in writing.
3. **ARTICLE HEADINGS:** The headings and subheadings of Articles contained herein are used solely for convenience and ease of reference and do not limit the scope or intent of the Article.
4. **FLOWDOWNS, ASSIGNMENT AND SUBCONTRACTING:** Seller shall flow down to Seller's supply chain all applicable quality requirements as referenced in the current version of Buyer's Supplemental Purchase Order Conditions. This Order or any interest hereunder shall not be assigned or transferred by Seller without the prior written consent of Buyer. Seller shall not subcontract the furnishing of any of the complete or substantially complete items required by this Order without the prior written approval of Buyer. In the event that Buyer approves of Seller's subcontractor(s), Seller shall flow down to its approved subcontractor(s) all applicable quality requirements as referenced in the current version of Buyer's Supplemental Purchase Order Conditions. Seller's current version of Buyer's Supplemental Purchase Order Conditions can be found at www.ittcannon.com/about/terms
5. **AUDIT INSPECTION OF RECORDS:** Seller shall keep reasonably detailed records of direct labor costs, material costs, and all other costs of the performance of this Order, which shall be subject to audit by Buyer in the event of termination, or other equitable adjustment, or with respect to any Order for which the price is based on time and cost of material.
6. **BANKRUPTCY:**
 - (a) Buyer may terminate this Order for default, in whole or in part, by written notice to Seller if: (1) Seller shall become insolvent or make a general assignment for the benefit of creditors; or (2) a petition under any bankruptcy act or similar statute is filed by or against Seller and not vacated with ten (10) days after it is filed.
 - (b) If seller enters into proceedings relating to bankruptcy, whether voluntary or involuntary, Seller shall furnish by certified mail written notification of bankruptcy to Buyer which shall include the date on which the bankruptcy petition was filed and the identity of the court in where the bankruptcy petition was filed.
7. **BUYER'S RIGHT TO USE INFORMATION DISCLOSED BY SELLER:** Unless otherwise expressly set forth in this Order or a separate written agreement, Buyer shall have the right to use, for any purpose, information concerning Seller's products, manufacturing methods or processes which Seller has disclosed to Buyer, without restrictions, prior to, during or after the performance of this Order. No patent license is implied hereby.
8. **CALENDAR DATES:** All periods of days referred to in this Order shall be measured in calendar days.
9. **CHANGES:** Buyer may at any time, by written instructions from Buyer's Procurement Department to Seller, make changes in the work to be performed or the items to be furnished hereunder in any one or more of the following: (a) Drawings, designs or specifications; (b) method of shipment or packing; (c) time and/or place for delivery; and (d) the quantity of items ordered. If any change under this Article causes an increase or decrease in the price due under the Order or the time required to perform, an equitable adjustment shall be made and the Order modified in writing accordingly. Any claim hereunder must be asserted by Seller in writing within fifteen (15) days from the date the change is ordered. Nothing contained herein shall excuse Seller from Proceeding without delay with the Order as changed, including failure of the parties to agree upon any adjustment to be made under this Article. Whether made pursuant to this Article or by mutual agreement changes shall not be binding upon Buyer, except when confirmed in writing by a member of Buyer's Procurement Department. The issuance of information, advice, approvals or instructions by Buyer's technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer's and Seller's rights and obligations hereunder, unless the same is in writing signed by an authorized representative of Buyer's Procurement Department and which expressly states that it constitutes an amendment to this Order.

Seller agrees not to make any change in materials, processes or design details of the items supplied hereunder after Buyer qualification or approval without written approval from Buyer. This shall include changes in materials, processes or design details

by Seller's subcontractors. In addition to these changes, changes which would affect the items supplied hereunder or any component part thereof with regard to (a) part number identification, (b) physical or functional interchangeability, or (c) repair and overhaul procedures and processes and material changes which affect these procedures without prior written approval of Buyer is prohibited. If such approval is granted, all part numbers and the originals of all drawings and data shall be revised and provided to Buyer accordingly.

10. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS / CODE OF CONDUCT: In furnishing the supplies, equipment, and/or services under this Order, Seller shall comply with all applicable Federal, State and Local laws, ordinances and all orders, rules and regulations thereunder, including but not by way of limitation, the applicable provisions, as amended, of the Fair Labor Standards Act of 1938, and the Occupational Safety and Health Act of 1970, and all regulations and standards and any amendments issued pursuant thereto. Seller shall notify Buyer of any aspect of Seller's performance that is prohibited under any legal requirements, at the earliest opportunity, but in all events sufficiently in advance of Seller's performance of such obligation, so as to identify and implement alternative methods of performance. Buyer is an equal opportunity employer and federal contractor or subcontractor. Consequently, the parties agree that, as applicable, they will abide by the requirements of 41 CFR 60-1.4(a), 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a) and that these laws are incorporated herein by reference. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. These regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability. The parties also agree that, as applicable, they will abide by the requirements of Executive Order 13496 (29 CFR Part 471, Appendix A to Subpart A), relating to the notice of employee rights under federal labor laws. Seller certifies that it complies with all applicable local, state, and federal laws and regulations regarding slavery and human trafficking including but not limited to the California Transparency in Supply Chains Act of 2010 and Federal Acquisition Regulation 52.222-50. Seller agrees to promptly notify Buyer of any actual or suspected violations in accordance with the applicable local, state, or federal law or regulation.

In addition, Seller agrees to adhere to Buyer's Code of Conduct (<http://itt.com/Citizenship/Code-of-Conduct>) as if it were an affiliated company of Buyer when conducting business with Buyer. Buyer's Code of Conduct prohibits any Buyer employee and its families from accepting any business courtesy from a supplier on non-government business other than limited refreshments and meals during a business meeting or promotional business items of only token value, however such gifts are discouraged. On government business, no business courtesies of any kind can be accepted by a Buyer employee or its families. Seller agrees to conform with these business courtesy restrictions and acknowledges that their failure to comply is grounds for immediate termination of this Agreement with cause without further liability.

11. CONFIDENTIAL RELATIONSHIP: Seller shall treat as proprietary and confidential all specifications, drawings, blueprints, nomenclature, samples, models and other information supplied by Buyer. Unless the written consent of Buyer is first obtained, Seller shall not in any manner advertise, publish, or release for publication any statement mentioning Buyer or the fact that Seller has furnished or contracted to furnish to Buyer items and/or services required by this Order, or quote the opinion of any employees of Buyer. Seller shall not disclose any information relating to this Order to any person not authorized by Buyer to receive it. Seller shall use the information supplied by Buyer only to accomplish work covered by this Order and for no other purpose. Upon completion, all information is to be returned to Buyer upon Buyer's written request.

12. DEFAULT:

- (a) Buyer may cancel this Order in whole or in part by written notice: (1) if Seller shall become insolvent or make a general assignment for the benefit of creditors; or (2) if a petition under the Federal Bankruptcy Act is filed by or against Seller; or (3) if Seller fails to make delivery of the supplies or to perform the services within the time specified in this Order; or (4) if Seller fails to perform any of the other obligations of this Order, or fails to make progress, so as to endanger performance of this Order, in accordance with its terms; or (5) if Seller's financial condition shall endanger completion of performance, provided with respect to (4) and (5) Seller shall fail to remedy any such condition within seven (7) days from the date of receipt of a notice from Buyer concerning the existence of the condition.
- (b) In the event Buyer cancels this Order in whole or in part as provided in paragraph (A) of this Article, Buyer may procure, upon such terms and in such manner as Buyer deems appropriate, items or services similar to those canceled, and Seller shall be liable to Buyer for any excess and incidental costs of similarly procured items or services. Seller shall continue the performance of this Order to the extent not canceled under the provision of this Article.
- (c) After receipt of notice of such cancellation, and upon Buyer's direction, Seller shall transfer title and deliver to Buyer satisfactorily completed work and such work in process as directed by Buyer.
- (d) If, after notice of cancellation of this Order, it is determined that Seller was not in default under the provisions of this Article, the rights and obligations of the parties shall be the same as if the notice of cancellation had been issued pursuant to Article 32 hereof, "Termination for Convenience".
- (e) If this Order is issued under a U.S. Government contract, and Buyer notifies Seller of a substitution of terms, e.g., the term "Contractor" shall mean Seller, the Term "Contract" shall mean this Order, and the terms "Government", "Contracting Office" and equivalent phrases shall mean "Buyer," then the rights and remedies of Buyer provided in this Article shall not be exclusive, and are in addition to any other rights and remedies provided by law and under this Order.

13. DELAYS AND NOTICE OF LABOR DISPUTES:

- (a) Seller shall not be liable for any delays in delivery caused by circumstances beyond its control including acts of God or of the public enemy, fire, floods, epidemics, quarantine restrictions, strikes or embargoes. When any delays in delivery occur, Seller shall immediately give notice thereof to Buyer.

- (b) Whenever an actual or potential labor dispute is delaying or threatening to delay the performance of this Order, Seller shall immediately give notice thereof to Buyer
- (c) Notwithstanding the above, if such delays extend for more than sixty (60) days from the delivery or performance date or threatens Buyer's delivery commitments under its Prime Contract, Buyer may terminate such part of this Order remaining to be performed without liability to Buyer except for the fair value of work already completed.

14. DELIVERY: Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. Buyer may return early deliveries at Seller's expense. Over shipment allowances, if authorized, will be applied to the entire Order. If Buyer agrees to accept deliveries after the delivery date has passed. Buyer shall have the right to direct Seller to make shipments by the most expeditious means and the total cost of such expedited shipment and handling shall be borne by Seller. Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold Seller liable for any loss or damage resulting there from, nor shall it act as a modification of Seller's obligation to make future deliveries in accordance with the delivery schedule set forth in this Order.

15. GENERAL RELATIONSHIP: Seller's relationship to Buyer in the performance of this Order is that of an Independent Contractor. Neither Seller nor any of the persons utilized by Seller to furnish materials or perform work or services under this Order are employees of Buyer. Seller shall, at its own expense, comply with all applicable laws and regulations and assume all liabilities and obligations imposed by such laws and regulations with respect to this Order.

16. GRATUITIES: Buyer may, by written notice to seller, terminate the right of Seller to proceed under this Order if it is found that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by Seller, or by any agent or representative of Seller, to any officer or employee of Buyer's customer of Buyer, for the purpose of obtaining this Order or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of this Order.

17. INSPECTION/REJECTION:

- (a) Buyer and/or its customer, to the extent practicable at all times and places, including the place of manufacture, may inspect and test material, work in process, and supplies.
- (b) Buyer shall have the right to reject any items or lots of items which are defective in material or workmanship or otherwise not in conformity with the requirements of this Order and to require correction or replacement. Rejected items shall be removed, or if permitted or required by Buyer, corrected in place by and at the expense of Seller promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Seller fails to promptly replace, correct, or remove such items or lots of items which are required to be removed, Buyer may: (1) replace or correct such items and charge to Seller the cost occasioned Buyer thereby; (2) pay for such items at a reduced price which is equitable under the circumstances; or (3) cancel this Order for default as provided in Article 10 entitled "Default."
- (c) If any inspection or test is made by Buyer and/or its customer on the premises of Seller or a lower tier subcontractor, Seller without additional charge shall provide all reasonable facilities and assistance for the safety and convenience of Buyer and/or customer inspectors in the performance of their duties. In the case of rejection, Buyer shall not be liable for any reduction in value of samples used in connection with such inspection or test. All inspections and tests by Buyer and/or its customer shall be performed in such a manner as not to unduly delay the work. Buyer reserves the right to charge to Seller any additional cost of inspection and test when items are not ready at the time such inspection and test was requested by Seller or when reinspection or retest is necessitated by prior rejection. Unless otherwise provided herein, final inspection and acceptance or rejection of items shall be made as promptly as practicable after delivery to Buyer's facility. Buyer's failure to inspect or accept or reject items in a timely manner shall neither relieve Seller from full compliance with all requirements of this Order, nor impose responsibility on Buyer therefore.
- (d) Seller shall provide and maintain an inspection system acceptable to Buyer covering the items hereunder. Records of all test and inspection work by Seller shall be kept complete and available to Buyer and/or its customer for three (3) years following completion of this Order, or for six (6) years following completion of an order pursuant to a U.S. Government contract or subcontract.
- (e) Inspection and test by Buyer or its customer of any items or lots thereof does not relieve Seller from any responsibility regarding defects or other failures to meet Order requirements which may be discovered prior to acceptance or during the warranty period set forth in Article 34.
- (f) If, prior to or at the time of final acceptance or within the warranty period, it was known or should be known by Buyer that said items would not or did not conform to the requirements of this Order, Final acceptance shall not be construed as a waiver of any rights Buyer may have with respect to the items purchased under this Order, notwithstanding the failure of Buyer to timely inform Seller of such nonconformance.

18. RISK OF LOSS; INDEMNIFICATION; INSURANCE: All personal property belonging to Buyer in Seller's custody or possession shall be a Seller's risk from loss or damage from all hazards. If Seller is required to enter premises owned, leased, or occupied by or under the control of Buyer during the performance of this Order, Seller agrees to indemnify and hold harmless Buyer, its officers and employees, from any loss, cost, damage, expense of liability by reason of property damage or personal injury, including death, of whatsoever nature or kind arising out of or as a result of Seller activity, whether arising out of the actions of Seller or of its employees, subcontractors, and low tier subcontractors. Seller and its subcontractors and lower tier subcontractors shall maintain public liability and property damage insurance in reasonable limits covering the obligations set forth above and will maintain required worker's compensation insurance covering all employees engaged in the performance of this Order.

19. INVOICING AND PAYMENT: A separate invoice shall be issued for each shipment must reference the Order number and line number. Unless otherwise specified in this Order, an invoice shall not be issued prior to shipment of items and payment shall not

be made prior to receipt of items and correct invoice. Credit and discount periods will be computed from the date of receipt of the correct invoice to the date Buyer's check is mailed. Unless freight and other charges are itemized, the discount will be taken on full amount of invoice.

- 20. MODIFICATION OF ORDER:** This Order contains all the agreements of the parties with respect thereto and no course or dealing or usage of the trade shall be applicable unless expressly incorporated in this Order. The terms and conditions contained in this Order may not be added to, modified, superseded or otherwise altered except by a written instrument signed by an authorized representative of Buyer's Procurement Department and delivered by Buyer to Seller. Each shipment received from Seller shall be deemed to exclusively upon the terms and conditions contained in this Order notwithstanding any terms and conditions that may be contained in any acknowledgment, invoice, correspondence or other documents of Seller, and notwithstanding Buyer's act of accepting or paying for any shipment or similar act of Buyer.
- 21. NO WAIVER OR CONDITIONS:** Buyer's failure to insist upon strict compliance with any aspect of this Order shall not be deemed a waiver of any of Buyer's rights hereunder, and waiver of a right under this Order shall not constitute of a waiver of any other right.
- 22. OFFSET/COUNTERTRADE CREDIT:** In connection with the sale of Buyer's products to certain foreign government customers, Buyer may incur direct and/or indirect offset/counter trade obligation. Seller hereby exclusively grants to Buyer all offset or counter trade credit that may be obtained from this order, or from Seller's placement of its purchase orders and subcontracts, for Buyer's use on the offset/counter trade program of Buyer's choose. Buyer retains the right to assign any such offset or counter trade credits to Buyer reserves the right to review such record not more often than every six months to determine offset availability.
- 23. ORDER FOR DEFENSE ARTICLES OR SERVICES IN EXCESS OF \$500,000:** If this Order is in an amount of \$500,000 or more, or if this Order is amended so that the total amount of the Order is in an amount of \$500,000 or more, and the items provided by Seller are "defense articles" or "defense services" within the meaning of 22 C.F.R. Sections 120.6 or 120.9, then Seller shall, within fifteen (15) days of the date of this Order, or such amendment, inform Buyer in a written statement if Seller has paid, offered to pay in respect of the sale for which the items will be used: (1) political contributions or (2) fees or commissions, within the meaning of 22 C.F.R. Part 130. Seller's statement shall conform to the requirements of 22 C.F.R. part 130. Failure of the Seller to provide Buyer with such a statement shall constitute a certification by Seller that it has not paid, offered, or agreed to pay such political contributions, fees or commissions.
- 24. PACKING:** Unless otherwise specified in this Order, Seller shall be responsible for safe and adequate packing which shall conform to the requirements of carriers' tariffs or, in absence of such requirements, conform to the best commercial practices. Seller shall separately number all cases, packages, etc., showing the corresponding numbers on the invoices. An itemized packing slip, bearing this Order number must be placed in each container. No extra charge shall be made for packaging or packing materials unless authority therefore is set forth in this Order.
- 25. PATENT INDEMNITY BY SELLER:** If the detailed design of any item purchased hereunder is not supplied by Buyer, Seller shall defend and hold harmless Buyer, its customers and those for whom Buyer may act as agent, from all loss of damage by reason of any and all actions or proceedings charging infringement or wrongful use of any patent, trademark, trade secret, copyright or other intellectual property rights in connection with any items, software or data furnished hereunder. If the use or sale of such item, in respect to which Seller indemnifies Buyer, is enjoined as a result of such action or proceeding, Seller, at no expense to Buyer, shall obtain for Buyer and its customers, the right to use and sell said item or shall substitute an equivalent item acceptable to Buyer and extend this patent indemnity with respect to such equivalent item. In the event that Seller is unable to secure such right of use for Buyer or its customer or to secure an equivalent item as a substitute, Seller will indemnify Buyer and its customer for any and all losses or damages sustained by reason of such injunction.
- 26. RIGHTS IN DATA AND INVENTIONS:**
- (a) If this Order is not placed under a U.S. Government contract or subcontract. Buyer shall have full ownership and rights, including patent rights, to all inventions, data, designs, computer software and information ("Inventions") conceived, made or developed under this Order. Seller shall disclose to Buyer in writing any such Inventions and cooperate, at Buyer's expense, in obtaining patent or other intellectual property protection on such Inventions. Seller further agrees to execute assignments to Buyer of any associated patents or patent applications. With respect to copyrightable works developed under this Order, Buyer and Seller agree that any such works which qualify as commissioned works under the Copyright Act are considered "works made for hire" with copyright ownership in Buyer: otherwise, Seller agrees to assign copyright ownership of the works to Buyer. Seller shall not, unless otherwise authorized in writing by Buyer, disclose to anyone other than Buyer any Inventions or other data developed under this Order or any data disclosed to Seller by Buyer and shall not use such Inventions or data for any purpose other than the performance of this Order.
 - (b) If this Order is placed under a U.S. Government contract or subcontract which includes a cost sharing arrangement between the U.S. Government (or higher tier contractor) and Buyer, Buyer shall be granted free license use rights for Inventions of a scope not less than such rights which are granted to the U.S. Government.
- 27. PRODUCT SUPPORT:** (A) Seller shall support the items purchased hereunder during the operational life of the items or for a period of ten (10) years, from the date of final shipment under this Order. Said support includes, but is not limited to, technical service and maintenance of Seller's stock of subassemblies and spare parts as may be required to be ordered to support the operation of the items. (B) In the event Seller discontinues manufacture of the aforementioned items, subassemblies and spare parts, therefore, and does not provide for another qualified source. Seller shall give Buyer not less than six (6) months notice of such decision to discontinue and thereupon make available to Buyer all drawings, specifications, data and know-how which will

enable Buyer or its customers to manufacture or procure and items, subassemblies and spare parts under a royalty-free license which is hereby granted.

28. SHIPPING INSTRUCTIONS: Seller shall comply with Buyer's Routing and Shipping Instructions. If such instructions are not attached hereto or have not been previously received. Seller shall immediately request instructions from Buyer.

29. SUSPENSION OF WORK:

- (a) Buyer shall have the right to direct Seller in writing to suspend all or any part of the work for a period of time not to exceed ninety (90) days.
- (b) If work is suspended, an adjustment shall be made for any increase in the time and/or the cost (exclusive of profit) of performing this Order necessarily caused by such suspension, and this Order shall be modified in writing accordingly.
- (c) A claim shall not be allowed under this Article unless the claim, in an amount stated, is asserted in writing within thirty (30) days after the termination of the suspension. When the suspension has been terminated, Seller shall immediately commence performance, notwithstanding the fact that there is no agreement as to a revised schedule or the cost of completing this Order.

30. TAXES: Unless otherwise notified by Buyer in writing, Seller shall be responsible for the payment, and where applicable, inclusion in the Order price, of any federal, state, or local tax, transportation tax, or other tax which is required to be imposed upon the items ordered hereunder, or shall obtain any applicable exemptions. Any such taxes included in this Order shall be itemized separately in Seller's invoice.

31. TERMINATION FOR CONVENIENCE:

- (a) Buyer shall have the right to terminate this Order in whole or in part at any time, and from time to time, by written notice effective upon receipt by Seller, even though Seller is not in breach of any obligation hereunder. Upon receipt of notice of termination, Seller shall immediately discontinue performance and shall comply with Buyer's instructions concerning disposition of completed and partially completed items, work in progress and materials acquired pursuant to this Order. In the event of such termination, Seller shall be paid an amount in settlement to be mutually agreed upon by the Parties which shall cover Seller's reasonable costs of performance incurred prior to termination in connection with the items for which this Order is terminated plus a reasonable profit based upon such costs. In no event, however shall the said payment exceed the price specified herein for such items. Seller shall advise Buyer, in writing, of Seller's claim, if any, for termination costs within thirty (30) days after receipt of the notice of termination. Termination in accordance with this Article shall not affect Buyer's obligation to pay for items accepted by Buyer prior to such termination.
- (b) Nothing contained in paragraph (A) hereof shall in any way limit or affect Buyer's right to terminate this Order for Seller's default.
- (c) If this Order is issued under a U.S. Government contract and Buyer notifies Seller in writing that the termination was directed by the U.S. Government, settlement will be in accordance with Section 52.249-2 of the Federal Acquisition Regulations, which is hereby incorporated by reference and is applicable in its entirety to this Order with appropriate substitution of terms, e.g., the term "Contractor" shall mean Seller, the term "Contract" shall mean this Order, and the terms "Government", "Contracting Officer" and equivalent phrases shall mean "Buyer."

32. TITLE AND RISK OF LOSS: Seller shall bear the risk of loss and damage to all items to be supplied hereunder until final acceptance by Buyer. Buyer shall have equitable title to all items for which partial or progress payments have been furnished to Seller.

33. TOOLS, MATERIALS AND INFORMATION: If any designs, sketches, drawings, blueprints, patterns, dies, molds, models, tools, gauges, equipment or special appliances should be made or procured by Seller especially for producing the items covered by this Order, then immediately upon manufacture or procurement they shall become the property of Buyer. Seller shall maintain a current inventory list of the foregoing. Any such item or any materials or any engineering data or other technical or proprietary information furnished by or paid for by Buyer shall: (a) Become and shall be identified as property of Buyer, (b) Be held by Seller on consignment at Seller's risk. (c) Be used exclusively in the production for Buyer of items required by this Order, and (D) Be subject to disposition by Buyer at any and all times and upon demand they shall be returned to Buyer. Seller shall maintain procedures for the adequate accountability, storage, maintenance and inspection of such items and shall make such records available to Buyer upon request.

34. WARRANTY:

- (a) Seller warrants that all the items furnished hereunder shall: (1) conform fully with all requirements of this Order; (2) conform to approved sample or samples, if any; (3) unless detailed designs have been furnished by Buyer, be fit for the use intended by Buyer; and (4) be free from defects in material, workmanship, design and fabrication.
- (b) In the case of latent defects, the Buyer's rights to corrective action by Seller shall commence upon Buyer's discovery of the latent defect and notification of Seller thereof.
- (c) If, any failure appears, Buyer shall have the right to take the following actions: (1) Retain such defective item(s) and an equitable adjustment will be made in the Order Price, or (2) Reject such defective item(s) and an equitable adjustment will be made in the Order price, or (2) Reject such defective item(s) and require Seller to promptly remove and repair or replace such defective item(s) at Seller's sole expense (including shipping costs), with risk of loss and damage for the rejected, corrected or replacement item(s) while in transit shall be borne by Seller; or (3) Correct or replace such defective item(s) with similar item(s) and recover the total cost (including shipping costs) thereof from Seller. Item(s) rejected shall be removed promptly by Seller at its expense and its risk. All costs and expenses and loss of value incurred by Buyer as a result of or in connection to any

defect/nonconformance and the repair, replacement or other correction of any items delivered hereunder may be recovered from Seller.

- (d) Upon discovery of any defect or failure provided hereby, the following conditions shall apply: (1) Buyer shall furnish written notice to Seller of the item(s) involved and set forth the nature of the defect(s) or failure(s) discovered: (2) As required by Buyer's corrective action policies, after receipt by Seller of such notification, Seller shall provide in writing to Buyer the following information: (i) Acknowledgment of the notification given by Buyer of the defect or failure, (ii) The corrective action to be taken by Seller to remedy the defect or failure, (iii) Disposition instructions regarding the defective material or equipment, (iv) The date that the defective items will be repaired, corrected or replaced as applicable and redelivered to the appropriate destination as directed by Buyer, or (v) With the advance approval of Buyer, submit a proposed price reduction to this Order for Buyer's consideration pursuant to (C) (1) above.
- (e) Approval by Buyer of Seller's design or material used shall not relieve Seller from any obligations under the warranties set forth in this Article.
- (f) The word "item(s)" as used herein includes materials, equipment, services and data required under this Order.
- (g) Any items(s) corrected or replaced pursuant to this Article shall be subject to all provisions of this Article to the same extent as item(s) initially delivered.
- (h) The aforesaid warranties shall survive acceptance and payment and shall run to Buyer, its customers and the users of these item(s) and shall not be deemed to be the exclusive rights of Buyer but shall be in addition to other rights of Buyer under law, equity, and the terms of this Order.

35. MOST FAVORED CUSTOMER: Seller warrants that the prices for the items or services covered hereby are not less favorable than those currently extended to any other customer for the same or similar items or services in similar quantities. In the event Seller reduces its price during the term of this order. Seller agrees to reduce the price hereof accordingly.

36. FINANCIAL RECORDS AND AUDIT. Seller shall retain all financial records and documents pertaining to the Goods for a period of no less than three years after final payment. Such records and documents shall date back to the time this contract was issued and shall include without limitation, catalogs, price lists, invoices, underlying data and basis for cost estimates, and inventory records. Buyer shall have the right to examine, reproduce and audit all such records related to pricing and incurred costs.

37. AUDIT RIGHT RESERVED / RIGHT OF ENTRY

Buyer, Buyer's Partnerships, Buyer's Customers and Government/Regulatory Authorities reserve the right to perform audits and/or inspections at Seller's and/or Seller's subcontractor's facilities to:

- Examine all pertinent documents, data and other information relating to Buyer's products, tooling, or any Buyer's purchase order
- View any facility or process relating to Buyer's products, at any level of the supply chain, or any Buyer's purchase order
- Audit any facility or process to determine compliance with the requirements of any Buyer's purchase order
- Dispatch an inspection service to perform Buyer directed independent verification of its product at the Seller's premises and with Seller's inspection equipment

When on-site verification of Contract / Purchase order conformance is required, Seller shall provide the equipment, facilities, complete and accurate paperwork, and personnel necessary for Buyer's representatives to verify compliance. Any Audit activity as described above will be conducted during normal business hours and with advance written notice to Seller. Any findings as a result of the above audit activity will be acted on promptly by the Seller.

38. COUNTERFEIT WORK

- (a) For purposes of this clause, Work consists of those parts delivered under this Contract that are the lowest level of separately identifiable items (e.g., articles, components, goods, and assemblies). "Counterfeit Work" means Work that is or contains items misrepresented as having been designed and/or produced under an approved system or other acceptable method. The term also includes approved Work that has reached a design life limit or has been damaged beyond possible repair, but is altered and misrepresented as acceptable.
- (b) Seller agrees and shall ensure that Counterfeit Work is not delivered to Buyer.
- (c) Seller shall only purchase products to be delivered or incorporated as Work to Buyer directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by Buyer. Seller must present compelling support for its request (e.g. OCM documentation that authenticates supply chain traceability of the parts to the OCM), and include in its request for approval all actions to ensure the part thus procured are authentic/conforming parts. All items furnished hereunder shall be in conformance with counterfeit part standards AS5553 and AS6174.
- (d) Seller shall immediately notify Buyer with the pertinent facts if Seller becomes aware or suspects that it has furnished Counterfeit Work. Seller shall maintain a method of item supply chain traceability that ensures tracking of the supply chain back to the manufacturer of all Electrical, Electronic, and Electromechanical (EEE) parts included in assemblies and subassemblies being delivered in this Order. The supply chain traceability method shall clearly identify the name and location of all the supply chain intermediaries from the manufacturer to the direct source of the product for Seller and shall include the manufacturer's batch identification for the item(s) such as date codes, lot codes, serializations, or other batch identifications. Seller shall establish and implement test and inspection activities necessary to assure the authenticity of purchased product. Tests and inspections shall be performed in accordance with defined accept/reject criteria provided or approved by Buyer. If requested, Seller shall prepare and provide to Buyer records evidencing tests and inspections performed and conformance of the product to specified acceptance criteria. Tests and inspections shall be performed by persons that have been trained and qualified concerning types and means of EEE parts fraud and suspect counterfeiting

and how to conduct effective product authentication. When requested by Buyer, Seller shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

- (e) In the event that Work delivered under this Contract constitutes or includes Counterfeit Work, such items shall be impounded and Seller shall, at its expense, promptly replace such Counterfeit Work with genuine Work conforming to the requirements of this Contract. Notwithstanding any other provision in this Contract, Seller shall be liable for all costs relating to the impoundment, removal and replacement of Counterfeit Work, including without limitation Buyer's costs of removing Counterfeit Work, of reinserting replacement Work and of any testing necessitated by the reinstallation of Work after Counterfeit Work has been exchanged. Buyer may turn such items over to the authority having jurisdiction for investigating and reserves the right to withhold payment for the items pending the results of the investigation. The remedies contained in this paragraph are in addition to any remedies Buyer may have at law, equity or under other provisions of this Contract.
- (f) This clause applies in addition to any quality provision, specification, statement of work or other provision included in this Contract addressing the authenticity of Work. To the extent such provisions conflict with this clause, this clause prevails.
- (g) Seller shall include paragraphs (a) through (d) of this clause or equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Work to Buyer.

39. ORDER OF PRECEDENCE: All of the provisions of this Order shall be construed and interpreted as consistent whenever possible. In the event of a conflict between any of the following clauses that apply to the Order and the preceding Articles 1 through 35, the following clauses shall have precedence over the preceding Articles.

40. NOTICE OF SAFETY HAZARDS: Pursuant to Buyer's Supplier Quality Requirements, Seller shall give Buyer written notice of any and all safety hazards and warnings regarding the usage of the items under this Order. Seller shall also give Buyer written notice of any and all special packing and handling instructions for the items under this Order. In the event that Buyer discovers any undisclosed safety hazards with regards to the usage, packing, and/or handling of the items under this Order, Buyer shall have the right to return said items to Seller at Seller's sole expense. Any items returned to Seller under this Article shall be subject to Article 34 ("Warranty") of this Purchase Order Terms and Conditions.

41. FARS, DFARS, NFS AND ADDITIONAL ARTICLES APPLICABLE TO ORDERS PLACED UNDER UNITED STATES GOVERNMENT CONTRACTS OR SUBCONTRACTS: If this order indicates that it is placed under a U. S. Government contract or subcontract, the following clauses of the Federal Acquisition Regulation (FAR), Department of Defense FAR supplement (DFARS), and NASA FAR Supplement (NFS), if included in Buyer's contract, shall apply to this Order, as specified, as if fully set forth herein in full text. The full text of these clauses are available at www.ecfr.gov.

A. FARS AND DFARS INCORPORATED BY REFERENCE. The following clauses of the Federal Acquisition Regulations (FAR) and of the Department of Defense FAR Supplement (DFARS) are hereby incorporated by reference. However, whenever the following clauses include a requirement for the settlement of disputes between the parties in accordance with the "Disputes" clause, the dispute shall be disposed of in accordance with Article 2, entitled "Applicable Law and Disputes". In the event the Government modifies any of the Exhibit A clauses, the modified version shall take effect immediately (its "effective date") and have precedence over the prior version beginning on its effective date unless otherwise specified by the Buyer. If the effective date of the prime contract is not set forth in the body of this order. Seller should contact Buyer for the applicable date. To the extent one or more alternates of a clause may apply, the alternate specified by the Buyer in writing shall apply, and absent such election in writing the alternate that most appropriately fits the type and scope of the Order shall apply.

B. Wherever necessary to make the context of the clauses set forth below applicable to this Order, the term "Contractor" shall mean Seller, the term "Contract" shall mean this Order and the terms "Government", "Contracting Officer" and equivalent phrases shall mean Buyer, except the terms "Government" and "Contracting Officer" do not change when the context of these names clearly indicate otherwise, such as when a right, act, or authorization can be granted only by the Government: (1) In the Phrases "Government property", "Government Furnished Property", "Government-owned Property", "Government Equipment", and "Government-Owned Equipment", or (2) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime noted below. In cases where the clause confers a right the inures to both the Buyer and the Government, the term "Government" shall include both Buyer and Government. Unless otherwise noted below, to the extent any clause requires a party to communicate verbally or in writing to the Government, the Buyer shall be the exclusive party responsible for such communication and seller shall not communicate with the Government without first obtaining Buyer's written consent.

Process changes associated with the elimination of these chemicals, as applicable to the manufacture of the items(s) on this purchase order, must be approved by Buyer prior to implementation. Notification must include technical rationale validating the new process. Should a reference for ODC be found within the Technical Data Package, please notify the individual whose name appears in the buyer field of the purchase order.

Every effort should be made to exclude Class 2 ozone Depleting Chemicals in the equipment or supplies furnished under this Purchase Order. In addition, every effort should be made to exclude Class 2 Ozone Depleting Chemicals found on said lists in the processes used to furnished equipment of supplies under this Purchase Order. Reasonable steps shall be taken to ensure that said equipment of supplies is not contaminated with Class 2 Ozone Depleting Chemicals. Should the Technical Data Package require Class 2 Ozone Depleting Chemicals, please notify the individual whose name appears in the buyer field of the Purchase Order.

46. EXPORT

Seller, at its sole expense, agrees to comply with all laws and regulations of the United States and other countries related to exports and imports including obtaining all required authorizations from the U.S. or other applicable governments. Without limiting the foregoing, Seller agrees that it will not transfer any export controlled item, data, or services, to include transfer to foreign persons employed by or associated with, or under contract to Seller or Seller's lower-tier suppliers, without the authority of an export license, agreement, or other applicable exemption or exception of the U.S. or other applicable governments.

Seller is hereby notified that certain hardware (e.g., finished goods, parts, components, accessories, attachments, samples, or prototypes), technical data (e.g., technical specifications, drawings, photos, instructions, or other technical information in any form), and/or services provided by Buyer for purposes of this Order are or may be subject to the International Traffic in Arms Regulations (ITAR) (22 C.F.R. parts 120 – 130). In addition, Seller is hereby notified that hardware, technical data, and/or services sold by Seller that are designed, developed, modified, adapted or configured from hardware, technical data, and/or services provided by Buyer are or may be subject to the ITAR.

Seller agrees to notify Buyer if any deliverable under this Contract is restricted by export control laws or regulations.

Seller shall immediately notify Buyer Representative if Seller is, or becomes listed in any Denied Parties List or if Seller's export privileges are otherwise denied, suspended or revoked in whole or in part by any U.S. Government entity or agency.

If Seller is engaged in the business of either exporting or manufacturing (whether exporting or not) defense articles or furnishing defense services, Seller represents that it is registered with the Directorate of Defense Trade Controls, as required by the ITAR, and it maintains an effective export / import compliance program in accordance with the ITAR, including all other applicable U.S. regulations.

Where Seller is a signatory under a Buyer export license or export agreement (e.g., TAA, MLA), Seller shall provide prompt notification to the Buyer Representative in the event of changed circumstances including, but not limited to, ineligibility, a violation or potential violation of the ITAR, and the initiation or existence of a U.S. Government investigation that could affect the Seller's performance under this Order.

If any technical data required to perform this Order is exported to the Seller under an approved U.S. Government export authorization, Seller shall comply with the following: (i) The technical data shall be used in accordance with the requirements of the approved export authorization; (ii) The technical data shall not be disclosed to any other person, subcontractor, Seller facility or country without the prior written permission of Buyer and the U.S. Government, as required; (iii) Seller acknowledges that it is not acquiring any rights to the technical data; (iv) Seller, including previously approved lower-tier subcontractors, shall return, or at Buyer's direction, destroy all of the technical data exported to Seller pursuant to this Order upon fulfillment of its terms; (v) Unless otherwise directed by Buyer, Seller shall deliver the items only to Buyer or to an agency of the U.S. Government; and (vi) Seller shall include the terms of this subsection in all lower-tier subcontracts issued when technical data is provided to the lower-tier subcontractor. In all cases Seller, prior to the transfer of such technical data, must have written permission of Buyer and the U.S. Government, as required.

Seller shall be responsible for all losses, costs, claims, causes of action, damages, liabilities and expense, including attorney's fees, all expense of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this clause.

47. IMPORT

Customs

For each shipment of items covered by this order, Seller shall furnish Buyer with a commercial invoice containing, at a minimum, the following information: (a) port of entry; (b) name and address of Seller and Buyer entity purchasing the items; (c) name of shipper (if different from Seller); (d) country of export; (e) detailed description of items in English; (f) quantities and weights; (g) actual purchase price, including all elements of the amount paid or payable by Buyer; (h) the currency in which the sale was made; (i) all charges, costs and expenses associated with the items, including freight, insurance, commission, containerization and packing, unless the cost of packing, containerization and inland freight are already included in the invoice price; (j) all rebates or discounts; and (k) the country of origin (manufacture) of the items. The value of any goods or services furnished for the production of the items (e.g., "assists") not included in the invoice price, must be reported on the invoice for the first shipment of goods unless Buyer directs otherwise in writing. All items, unless specifically exempted, shall be marked in a conspicuous place as legibly, indelibly, and permanently as the nature of the article (or container) will permit, with the country of manufacture of the items. Seller shall provide Buyer upon its request necessary documentation (e.g., manufacturer affidavit or NAFTA certificate) to enable Buyer to claim preferential duty treatment for Items eligible under applicable trade preference regimes. Seller agrees to comply with all laws and regulations governing the importation of goods into the customs territory of the United States and any other country of importation. Seller agrees to hold harmless and indemnify Buyer, its directors, officers and employees against all losses, claims, penalties, judgments, liabilities and expenses which any of them may pay or incur arising out of representations made by the Seller with respect to documentation or other Customs or Governmental requirements with regard to entry requirements, classification, valuation, preferential treatment, duty drawback or trade terms.

Government Duty Increases

If government authorities declare or otherwise impose countervailing duties, antidumping duties, or retaliatory duties on items imported by Buyer under this order, Buyer reserves the right to terminate this order in accordance with the provisions in Section 15.

Duty Drawback Rights

All drawback of duties and rights thereto related to duties paid by Seller or Buyer upon importation of the items into any customs territory if the items are subsequently exported from that country shall accrue to the exclusive benefit of Buyer. Seller agrees to provide Buyer with all documents, records and other supporting information necessary to obtain any such duty drawback, and agrees to reasonably cooperate with Buyer to obtain such payment.

48. C-TPAT

Customs – Trade Partnership Against Terrorism. To the extent any item covered by this Order is to be imported into the United States of America, if requested by the Buyer, Seller shall comply with all applicable recommendations or requirements of the Bureau of Customs and Border Protection's Customs-Trade Partnership Against Terrorism ("C-TPAT") initiative. Upon request, Seller shall certify in writing its compliance with all applicable recommendations or requirements of the C-TPAT initiative. Seller shall notify Buyer within 24 hours of any breaches of security or threats to the supply chain. Where a breach or threat of breach exposes Buyer to potential harm, Seller shall notify Buyer immediately. Seller shall be responsible for all costs associated with C-TPAT compliance. Further information about the C-TPAT program may be found on the Customs website at <http://www.cbp.gov>.

49. CONFLICT MINERALS

Seller shall use commercially reasonable efforts to:

- (a) Identify whether the items supplied hereunder contain tantalum, tin, tungsten, or gold; and
- (b) Conduct reasonable Country of Origin inquiry regarding the origin of such minerals in the items supplied hereunder to determine whether such minerals originated in Covered Countries, as defined in Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act; and
- (c) Conduct due diligence on the chain of custody of the source of any minerals originating in Covered Countries to identify the smelter of said minerals; and
- (d) Assist Buyer in conducting reasonable due diligence concerning the smelters of such minerals. Seller shall include the substance on this Section "Conflict Minerals" in any agreement or purchase order between Seller and its lower tier suppliers. Seller shall provide Buyer with reasonable documentation of Seller's and its lower tier suppliers' due diligence efforts, in a format prescribed by Buyer, when requested by Buyer to enable disclosure to the Securities and Exchange Commission.

50. HAZARDOUS MATERIALS

Packaging, identification, shipping and distribution of this material must be in compliance with all applicable State, Federal, and International regulations and requirements. Material Safety Data Sheet (MSDS) and precautionary labeling requirements of 29 CFR 1910.1200, Hazard Communication Program, must be complied with:

A. CHEMICAL SUBSTANCE REPORTING

Prior to shipment of chemical substances under this Purchase Order/Contract, Seller shall provide a copy of the Material Safety Data Sheet (MSDS) for each such substance to ITT Cannon LLC, 56 Technology Drive, Irvine, CA 92618, ATTN: Environmental, Safety and Health Dept.

A "chemical substance" (including mixtures, solids, liquids, cryogenic liquids, gases, etc.) is any chemical or mixture which (a) is defined as a hazardous chemical by OSHA, DOT, EPA, ICAO, or any other federal, state, or local environmental or health agency, or (b) in the course of normal operations or foreseeable emergencies may produce dust, gases, vapors, mists, fumes or smoke.

Each MSDS shall contain or have attached thereto all of the following information:

1. The data described in 29 CFR Part 1910.1200(g).
2. The Chemical Abstract Service (CAS) number (if available) of the chemical substance and/or each component constituent of a mixture.
3. A statement whether or not the chemical substance or constituent thereof is:
 - a. Listed on the TSCA Chemical Inventory.
 - b. Listed on TSCA 12(b) Export Notification List.
 - c. Subject to a Significant New Use Rule (40 CFR 721, sub. B).
4. Volatile Organic Compound (VOC) content and vapor pressure information, as required by applicable EPA, SCAQMD, and other air agency rules and regulations.
5. Identification of any EPA-SARA constituents.

All inside and outside shipping containers shall comply in all respects with 49 CFR Parts 100-199. All such containers shall utilize HM 181 Final Rule, Performance Oriented Packaging Requirements.

B. S.C.A.Q.M.D. RULES AND REGULATIONS

1. Seller represents and warrants that all work to be performed by Seller under this Purchase Order/Contract (PO/Contract) shall be conducted in full compliance with all Federal, State and local statutes, ordinances and regulations relating to protection of public health and safety of the environment.
2. Seller understands and agrees that if performance of the services under this PO/Contract requires the application of coatings or solvents which do not comply with emission limitations under South Coast Air Quality Management District (SCAQMD) Rules 1107 and 1124, Seller will perform the services hereunder pursuant to an Alternate Emission Control Plan (AECF).
3. Seller further represents and warrants that it will obtain the approval of the AECF by the executive officer of the SCAQMD prior to the time that performance of services under this PO/Contract commences including submitting a copy of the approved AECF to the Buyer's Purchasing Representative. Seller agrees that it shall be solely responsible for developing, obtaining approval of and maintaining compliance with the AECF.
4. Seller agrees to indemnify, save harmless and defend Buyer, its directors, officers, employees, agents, successors, and assigns, from and against any and all liabilities, claims, suits, losses, damages, fines, penalties, forfeitures, and the costs and expenses incident thereto (including costs of defense, settlement and reasonable attorney's fees), which it or they may hereafter incur, become responsible for or pay out as a result of or arising out of the breach by Seller or Seller's failure to perform any of the representations, warranties and agreements set forth in this contract condition. Seller agrees that it will promptly notify the Buyer's Purchasing Representative of any alleged or anticipated noncompliance with SCAQMD Rules 1107 or 1124 relating to or which may affect the performance under this PO/Contract.
