

# VEAM Power Lock

## Insulator Kits

NOTE: Insulator kits are used to convert old UK color coded Power Lock connectors to new harmonized colors as explained on page 7.

### LINE DRAIN

Line Drain insulator kit consists of a marked and labeled insulator, O-ring on the nose, secondary locking pin, and nylon pin. M40 cable glands are ordered separately.

Description		400A or 660A Kit	Cable Glands
Insulator Kit NLD-1-BN (brown)	L1	320-7720-031	M40S 15-23mm 368-7514-000 or M40A 19-28mm 368-7514-001 or M40B 22-32mm 368-7514-002
Insulator Kit NLD-2-BK (black)	L2	320-7720-032	
Insulator Kit NLD-3-GY (grey)	L3	320-7720-033	
Insulator Kit NLD-N-BL (blue)	N	320-7720-030	
Insulator Kit NLD-E-GN (green)	E	320-7720-034	

### LINE SOURCE

Line Source insulator kit consists of a marked and labeled insulator and nylon pin. M40 cable glands are ordered separately.

Description		400A or 660A Kit	Cable Glands
Insulator Kit NLS-1-BN (brown)	L1	320-7721-031	M40S 15-23mm 368-7514-000 or M40A 19-28mm 368-7514-001 or M40B 22-32mm 368-7514-002
Insulator Kit NLS-2-BK (black)	L2	320-7721-032	
Insulator Kit NLS-3-GY (grey)	L3	320-7721-033	
Insulator Kit NLS-N-BL (blue)	N	320-7721-030	
Insulator Kit NLS-E-GN (green)	E	320-7721-034	

### PANEL DRAIN

Panel Drain insulator kit consists of a marked and labeled insulator, O-ring on the nose, secondary locking pin and nylon pin.

Description		400A	660A
Insulator Kit NPD-1-BN (brown)	L1	078214-7030	078214-7060
Insulator Kit NPD-2-BK (black)	L2	078214-7031	078214-7061
Insulator Kit NPD-3-GY (grey)	L3	078214-7034	078214-7064
Insulator Kit NPD-N-BL (blue)	N	078214-7033	078214-7063
Insulator Kit NPD-E-GN (green)	E	078214-7035	078214-7065

# VEAM Power Lock

## Insulator Kits

### PANEL SOURCE

Panel Source insulator kit consists of a marked and labeled insulator and a nylon pin.

Description		400A	660A
Insulator Kit NPS-1-BN (brown)	L1	078214-7020	078214-7010
Insulator Kit NPS-2-BK (black)	L2	078214-7021	078214-7011
Insulator Kit NPS-3-GY (grey)	L3	078214-7024	078214-7014
Insulator Kit NPS-N-BL (blue)	N	078214-7023	078214-7013
Insulator Kit NPS-E-GN (green)	E	078214-7025	078214-7015

### Panel Drain Insulator for use with Application Device Clamps

Panel Drain insulator kit for use with Application Device Clamps consist of a marked and labeled insulator, O-ring on the nose, secondary locking pin and a nylon pin.

Description		Order Code
Insulator Kit NPDFT-1-BN-L-T6-NF	L1	078214-7050
Insulator Kit NPDFT-2-BK-L-T6-NF	L2	078214-7051
Insulator Kit NPDFT-3-GY-L-T6-NF	L3	078214-7054
Insulator Kit NPDFT-N-BL-L-T6-NF	N	078214-7053

### Panel Source Insulator for use with Application Device Clamps

Panel Source Insulator for use with Application Device Clamps consist of a marked and labeled insulator and a nylon pin.

Description		Order Code
Insulator Kit NPS-1-BN-T6-NF	L1	078214-7040
Insulator Kit NPS-2-BK-T6-NF	L2	078214-7041
Insulator Kit NPS-3-GY-T6-NF	L3	078214-7044
Insulator Kit NPS-N-BL-T6-NF	N	078214-7043

### Insulators for use with JW4ST & JW4ST82 Fuse Carriers

(cotter pin is ordered as a separate part)

Description		Order Code
Insulator Kit LVD400/401-1-BN	L1	135-7501-000
Insulator Kit LVD400/401-2-BK	L2	135-7501-001
Insulator Kit LVD400/401-3-GY	L3	135-7501-002
Insulator Kit LVD400/401-N-BL	N	135-7501-003
cotter pin for above		A3299000100

NOTE:

To exchange insulators on application devices, please contact your local sales office for instructions.
